

CALL FOR EXPRESSION OF INTEREST

Workshop on "The Role of the European Parliament in EU Development Policy"

The team of Jean Monnet Module "European Development and Cooperation Policy (EUDevCoop)" invite scholars to express their interest in participating in the workshop entitled "The Role of the European Parliament in EU Development Policy." This workshop aims to shed light on the involvement of the European Parliament in the formulation and scrutiny of European Development Policy, examining the extent and mechanisms of its influence. Despite the Parliament's growing powers in this domain, academic studies on the topic remain scarce. The workshop will serve as a platform to facilitate dialogue among scholars, practitioners from Non-Governmental Organizations (NGOs) and policymakers.

We encourage researchers at any stage of their career to submit their expressions of interest. The workshop promises to foster a meaningful exchange of ideas and create opportunities for collaboration among participants.

Date and Format: The workshop will be held in Lecce, Italy on November 24. In-person participation is preferred.

Expressions of Interest: Interested participants are requested to submit their expressions of interest to alda.kushi@unisalento.it. Please include the following information:

1. A description of the proposed contribution
2. A short biographical note

Conference Proceedings: Invited speakers are expected to contribute to the conference proceedings with short research reports of approximately 2000/3000 words. These contributions will provide valuable insights and analysis related to the workshop theme.

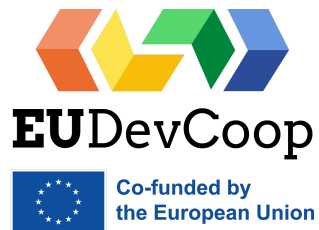

Travel Expenses: Speakers who participate in person will be eligible for reimbursement of their travel expenses.

Important Dates:

- Expression of Interest: September 20, 2023
- Invitation Letters Sent: September 27, 2023
- Workshop Date: November 24, 2023
- Revised version of the short contributions: December 15, 2023

For any inquiries or further information, please contact alda.kushi@unisalento.it.
